

CALLBOARD

March, 2008

Greetings from the Co-Presidents,

It's hard to believe that our 75th anniversary year is winding down. Our final show for this special season, *Play It Again, Sam*, is currently in rehearsal in anticipation of its late April opening. We have a special year-end celebration in the works that you will not want to miss! And of course, there is the usual annual business of putting together the Board for the upcoming season as well as finalizing the plays to be performed in 2008-09. So there is plenty going on, and we hope that every member will be involved before season 75 is archived! So please participate, whether you help in the kitchen, paint a set piece, or, at the very least, cheer enthusiastically (and recruit a friend or two) at one of our spring performances. We look forward to raising a glass with all of you and toasting the accomplishments of the Milton Players come June as we reflect back on our proud 75 year history of providing a quality, fun theatre experience for generations of Players and supporters.
